

WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION

WASHINGTON, DC

ORDER NO. 5513

IN THE MATTER OF:

Served February 1, 1999

SAFE HAVEN, INCORPORATED, )  
Suspension and Investigation of )  
Revocation of Certificate No. 382 )

Case No. MP-99-03

This investigation was initiated on January 14, 1999, in Order No. 5495, due to the cancellation of respondent's certificate of insurance, effective that day. The order directed respondent to file within 30 days an appropriate certificate of insurance or other evidence showing good cause why its certificate of authority should not be revoked.

On February 1, 1999, respondent filed a request for an extension of the thirty-day deadline. Respondent claims it needs more time to accumulate sufficient funds for purchasing the minimum amount of liability insurance specified in Regulation No. 58. Apparently, respondent is awaiting payment of past due amounts from some of its customers.

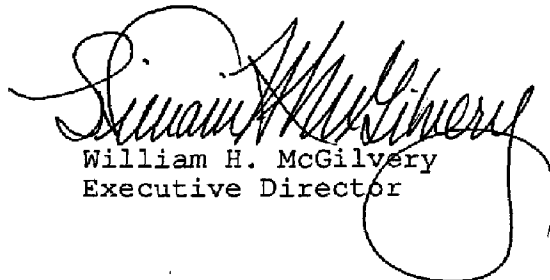

Under Commission Rule No. 7-05, the Executive Director may for good cause shown extend a deadline prescribed by Commission order. Respondent has failed to show good cause for extending the deadline established in Order No. 5495. Without some evidence from respondent's customers that payment of past due amounts is imminent and will be sufficient in the aggregate to enable respondent to purchase the necessary coverage, there is no basis in the record for granting respondent's request.

THEREFORE, IT IS ORDERED:

1. That the request of respondent for an extension of the thirty-day deadline established in Order No. 5495 is denied.

2. That respondent shall comply with Order No. 5495 on or before February 13, 1999.

FOR THE COMMISSION:

  
William H. McGilvery  
Executive Director
